HEARTHSTONES (BROOKHAVEN, DOVE GRAY, OLD RIVER, WESTON CREAM)

Hearthstones are the final touch to your masterpiece. A natural stone hearth can enhance your fireplace design both in character and texture. Hearthstones can be custom cut and finished to your specifications.

CAPS (BROOKHAVEN, DOVE GRAY, OLD RIVER, WESTON CREAM)

Caps and Coping are the perfect complement to our natural stone veneers. Available either snapped or sawn they give your project the finished detail for countless applications. The possibilities are endless from pool surrounds to the finishing touch on columns, piers, entrance monuments, staircases and more.

NATURAL STONE SILLS

(BROOKHAVEN, DOVE GRAY, MOUNTAIN RIDGE, OLD RIVER, TIMBER CREEK, WESTON CREAM)

Sills can be used under windows and at the top of a stone wains coat. Our sills can be custom cut and finished to your specifications. Our standard sills are sawn on the top, bottom, ends and back with your choice of snapped or sawn-face.

OLD RIVER CLADDING IS A PREMIER CLADDING SOLUTION

Our Old River Cladding has four sawn sides with a honed finish. We offer this product in two different thickness options: 1" and 3 5/8" (nominal)

12" x 24"
